

Books For Babes

Read Early. Read Often.

R.E.A.D ALOUD 6-9 MONTHS

READ

Continue your routine of reading aloud at least 3 books a day. At this age your child will become interested in turning the pages and putting the book in their mouth. All of this is OK let them use all their senses to explore the book.

ENGAGE

Your baby will begin to make noises and sounds. You might hear mamamama or babababa. This is your baby talking with you. Make sure to respond to your baby with the same sounds or other words!

ATTACH

At this age your baby will love to play peek-a-boo. Hid your face behind your hands or use a blanket or a sheet. Your baby will smile and giggle as he tries to figure out where you have gone.

DISCOVER

At this age your baby will love discovering themselves in a mirror. Hold your baby in front of the mirror or let him sit in front of a mirror to play.
